## Life-Threatening Health Conditions

If your child has a serious medical condition, please contact the school office immediately to obtain forms for you to take to your health-care provider. Your health care provider will determine if your child has a life-threatening condition. Washington State Law requires that schools get information about medications or treatments for their students

with life-threatening health conditions - if these conditions might require medical services to be performed at the school. Some of these conditions include: allergies to foods or bee stings, asthma, seizure disorders, etc.

Required information to be provided to the school includes:

- ❖ Doctor's orders for administration of medications and/or treatment of illness
- ❖ Written parent consent for services

### **Publicity**

If you prefer that your child not be photographed or recorded for information provided to the public or prefer that a piece of his or her school work not be published, send a note with your child's name and school name to Rick Parrish, 2715 Lilac Street, Longview.

## **Records**

Federal law and District Policy 3600, outlines how parents can review their child's educational records and request amendment of those records. It also stipulates who has legitimate educational interest in records. Parents have the right to file a complaint with the Family Policy Compliance Office in the Department of Education in regards to the handling of educational records and student privacy. *See policy 3600 Page 19 in District Section*

## **Report Cards**

Grade reports will be issued each quarter. However, quarter grades do not carry credit. Only semester grades carry credit, are included on a student's permanent record, and are used to figure grade point averages.

## **Safety /Security**

The district and all buildings have emergency response procedures. Emergency procedures were designed collaboratively with school staff, emergency management officials, police, fire, and public health officials. The procedures, which are regularly reviewed and updated, are applicable to a wide variety of emergencies.

Teachers and students will practice several types of emergency drills on a regular basis during the school year. These drills will include:

- Fire
- Earthquake
- Intruder
- Shelter-in-place (lockdown)
- Evacuation
- ALICE

Drills are important to build "automatic" responses and confidence. The practices also are a great opportunity for learning how to improve procedures.

If your child walks to school, please encourage him/her to follow the safe walking routes developed by our transportation department and available at the school. Also, please stress with your child pedestrian safety, crosswalk use, and following the directions of crossing patrol. Parents are asked to help their children understand that: if there is an earthquake while children are on their way to school, they should "duck and cover" away from power lines, buildings, and trees.

If your student rides the bus, be sure he/she is aware of the bus rules provided by the transportation department. Bus riding students participate in emergency evacuation drills each year.

**Keep your family emergency contact information current**--Notify the school every time there is a change in address, phone numbers, or a change in who is authorized to pick up your child. In an emergency evacuation, students will be released only to individuals on the authorized pick-up list.

We ask parents to observe the following procedures during an emergency:

- Do not telephone the school. We must keep the lines open for emergency communications. We understand and respect your concern for your child, and will use the radio for announcements.
- Tune your radio to a local radio station for emergency announcements and updates.
- You can sign up in advance to receive emergency messages sent to your e-mail, cell phone, or pager. The service is free to you. However, you need to make sure that your

contact addresses are up-to-date. To enroll in the service, visit the following website:  
<http://www.flashalert.net/signup.html>

- Wait to come to the school or evacuation location until instructed to do so. It may be necessary to keep the streets and parking lot clear for emergency vehicles.

Our school is a weapons-and violence-free zone. *Details are outlined in the following district policies: Weapons/Contraband Policy 3241 Page 11 in District Section*

### **Student Transfers**

A full program of classes at other accredited secondary schools will be honored by the Longview School District as the equivalent of a full program of classes in this district when evaluating credits for graduation. Official documentation, however, is required from the school so classes and grades can be evaluated appropriately.

### **Vaccines**

Washington State Law requires that school-age children have up-to-date vaccines or have an exemption on file with our nurse's room. In addition, state law requires schools to inform parents of middle- and high school students of two vaccines that are not required for school attendance, but are available. One is a vaccine to protect young women from the human papillomavirus disease (HPV) that causes cervical cancer. Federal recommendations suggest that all girls 11-12 years old receive the HPV vaccine.

Another recommended vaccine is the meningococcal vaccination, a series of three does over a six-month period for youths 11-12 years old, those entering high school, or those entering college. This guards against the rare, but serious meningococcal disease.

More information about these two issues and other health topics is available at the Washington State Department of Health at [www.doh.wa.gov](http://www.doh.wa.gov) or (800) 525-0127.

### **Valuables**

Students should not bring items of value to school. Students bringing items of value to school risk having them be lost or stolen. RA Long is not responsible for stolen items.

### **Visitors**

~~Students are NOT allowed to bring guests or visitors to school at any time.~~

### **Withdrawing/Dropping School**

Parent/Guardian permission is required before a student can be withdrawn. Contact the attendance office to begin the process. Be sure that all books are returned and previous fines/fees are paid to ensure prompt forwarding of records. *Students must be enrolled in school until age 18.*

### **Withdrawing/Dropping Classes**

**After a week, students will need to complete a request to drop a class and turn it into Mr. Reeves. It may result in a W or F on the transcript.**

## **PARENT/GUARDIAN/STAFF PACT:**

*A right is something that belongs to you and cannot be taken away by anyone. Staff and students and parent/caregivers have similar rights.*

### ***All have the right to be treated with respect and fairness at school***

The staff will try to respond to all parents and caregivers with sensitivity and follow processes which support the intent of the Human Rights Act and have regard for the Privacy Act when discussing with parents matters relating to the school, children and their families. Parents and caregivers are expected to pay the same courtesy to staff.

### ***All have a right to be heard***

Parents and caregivers are encouraged to talk freely about their ideas and feelings during scheduled parent teacher meetings, and through school consultation processes. Appointments should be made at appropriate times but parents may not interrupt class teaching time and should respect the need for teachers to prepare for meetings, and the desirability of any matter to be discussed in private. No teacher will conduct a discussion with parents who are abusive or threatening in their behavior. In such cases they will be asked to leave and support may be called. (PLEASE ALLOW 24 HOURS FOR STAFF TO RESPOND, AS THEY MAY NOT BE IN THE BUILDING OR HAVE OTHER OBLIGATIONS.)

### ***Everyone has a right to tell their side of the story***

Parents are encouraged to discuss concerns and or problem behavior and consequences with the staff member concerned in the first instance. This may also need input from senior staff and other support agencies. While every child has individual rights these do not outweigh the rights of all children to a positive learning environment.

### ***Parents and caregivers have a right to expect school to be a safe place***

The school will provide safe classrooms, equipment and rules to ensure pupil safety at school.

# STUDENT EXPECTATIONS FOR BEHAVIOR

## ACADEMIC HONESTY POLICY

Academic coursework and assessments are administered to measure student learning and growth. Submitted coursework must reflect the student's true learning. It is imperative that the staff at R. A. Long High School require academic honesty. Academic honesty is defined as follows:

*Each student does his or her own academic work. A student does not use, accept, or receive aid on class tests or assignments unless specifically authorized by the teacher. A student does not plagiarize information by putting forth someone else's work or ideas as the student's own work; a student gives credit to the source through accepted documentation.*

## PROHIBITED DISHONEST BEHAVIORS

- ❖ Obtaining or accepting a copy of a test or answer key
- ❖ Providing a copy of a test or answer key to another
- ❖ Copying another student's answers during an examination with or without his or her knowledge
- ❖ Using notes or other materials not permitted during a "closed book" examination
- ❖ Providing another student answers to or copies of examination questions
- ❖ Representing as one's own work the product of someone else's creativity
- ❖ Copying material almost word for word from a written source and turning it in as your own work
- ❖ Duplicating another student's project for submission as one's own work
- ❖ Having someone other than the student prepare the student's homework, paper, project, laboratory report, or take-home examination for which credit is given
- ❖ Permitting another student to copy the student's homework, paper, project, computer program, laboratory report, or take-home examination, other than for a teacher-approved collaborative effort
- ❖ Plagiarism: downloading another student paper from an online source or quoting from a paper as if the student generated the words
- ❖ Using prohibited electronic devices (palm pilot, cell phone, graphic calculator, laptops)
- ❖ Getting coaching or help on a project or paper to the extent that the work is no longer that of the student
- ❖ Forgery
- ❖ Misstating how many pages you've read on a reading log
- ❖ Purchasing or selling the work of another
- ❖ Altering graded tests to try to get additional credit
- ❖ Using false excuses to obtain an extension on a due date
- ❖ Any other action intended to obtain credit for work not one's own

## CONSEQUENCES

The following consequences will result due to violating the academic honesty policy, regardless of the student's intention to cheat or not.

### First Offense in a Course

1. The student earns a grade of zero on the assignment or test.
2. The teacher notifies the parent/guardian of the incident and the consequences.
3. The teacher notifies the appropriate administrator through a written referral, which will become part of the student's cumulative record.
4. The teacher keeps documentation of the incident for future reference.

### Second Offense in a Course

1. The student earns a grade of zero on the assignment or test.
2. The teacher will send a written referral to the appropriate administrator who will reiterate the academic honesty policy and will notify the parent by letter of the incident and the consequences.
3. The teacher keeps documentation of the incident for future reference.

### Third Offense in a Course

1. The student receives a grade of Failing (F) for the semester in that course.
2. The student is referred directly to the appropriate administration.
3. The administrator notifies the parent/guardian regarding the incident and the consequences and completes documentation by letter.
4. The teacher keeps documentation of the incident for future reference.

## CELL PHONES AND ELECTRONIC/DIGITAL DEVICES DISCIPLINE

All electronic/digital devices (cell phones, IPODS, MP3's, head-mounted computers, gaming devices etc.,) may only be used at the teacher's discretion in class. *If students choose to bring them to school, it is at their own risk and the school district will not be responsible if they are lost or stolen. Students may not have more than one ear bud in during passing time. If ear buds are taken from a student, they will be returned on Friday.*

Students in possession of or using such devices during school are subject to building rules and regulations. Building rules include:

**First Offense:** Cell phone or electronic/digital device out during class (whether in use or not) may result in a teacher warning to put it away or result in confiscation by the teacher until the end of class (teacher may choose to send phone to office).

**Second Offense:** Cell phone or electronic/digital device out during class (whether in use or not) teacher will confiscate and send device to the office for student to pick up after 6<sup>th</sup> period has ended.

**Failure to give the requested device to a teacher will be considered insubordination and the student will be disciplined. See policy 3241**

\*Washington State History is a required course; if it was not completed in middle school, it must be taken in high school.

\*\* 1 credit of PE requirement can be met by successful completion of two WIAA sport seasons.

\*\*\*Flexible requirements: 1 art credit, world language credit, career concentration credit, and electives may be substituted according to a student's High School and Beyond Plan.

## *Credit/Class Information*

**Required Minimum Credit** - One credit represents a passing grade in a class that meets a minimum 180 clock hours in a given year. Classes meeting other than 180 clock hours will grant proportional credits. With this formula, a student earns one credit for a full year class or .5 of a credit for a semester class.

**Required Class Load** - Each student in the ninth and tenth grades will be enrolled in a minimum program of six daily class periods or its equivalent. In grades 11-12, it is recommended that students be enrolled in the equivalent of at least five classes. Athletes must be enrolled in a minimum of five classes in order to maintain WIAA eligibility.

**Year-Long Commitment** - Students enrolling in year-long courses are making a commitment to remain in the course for the entire year. Students will not be allowed to drop a year long course at semester break without parent/teacher/counselor acknowledgment and principal permission.

### **Grading Guidelines –**

- Students withdrawing from class after the second week of the semester classes will receive either an F or an NC grade based on the following:

**F** – Unsatisfactory effort, unsatisfactory attendance, student does not work in class, student decides the course is too much work, although has the ability to pass.

NC – Satisfactory effort, satisfactory attendance, error in original placement, or student does not have the ability to pass.

- Zeroes will be given for remaining work and calculated into the grade at the time of withdrawal.
- In extremely unusual and/or emergency situations (i.e. –student is physically, mentally, or emotionally unable to complete the course because of hospitalization, death in the family, etc.) The NC still remains a choice of the teacher, even during the final four weeks.

**Waiver of Required Courses** - Students have the right to appeal required courses to a building administrator if they desire to have them considered for a waiver. “...individual students may be excused from participating in physical education otherwise required under this section on account of physical disability, employment or religious belief, or because participation in directed athletics or military science and tactics or for other good cause.”

RCW 28A/05.040 Criteria for the waiver must be met before a waiver is granted.

**Class Standing** - Students will be promoted regardless of credits earned until their senior year. A student will retain junior standing until a minimum of 16 credits are earned. It is advisable to have a minimum of 4 credits at the beginning of the sophomore year, and a minimum of 10 credits at the beginning of the junior year to be in good credit standing for graduation.

## ***What do you need in order to graduate?***

- 1. Required credits complete (see credit table)**
- 2. Testing (see testing table)**
- 3. Senior Project:** Students must complete the *Aspire to Achieve* Culminating Project/Presentation (See career center or advisor for more details)

# TESTING

In conjunction with the Longview School District, R. A. Long provides a comprehensive testing program. Tests available to R. A. Long students include the following:

## Testing:

Class of 2019 & 2020	Class of 2021 and Beyond
SBA – English/Language Arts SBA – Math	SBA – English/Language Arts SBA – Math WCAS - Science

## SAT I / SAT II

The SAT I / SAT II (“college boards”) are usually taken in the spring of the junior year or early in the senior year. The SAT I is administered six times a year and may be repeated. Registration for these tests is mailed in well before the actual test date, along with the test fee. Most students currently register on-line. The SAT II portion of this program includes test in specific subject areas and is required by a few select colleges and universities. A single fee allows students to take three achievement tests on a particular test date. Mark Morris is the local SAT I and SAT II test center.

## **ACT – American college Testing Program**

The ACT is similar to the SAT as far as numerous test dates nationwide, but different in structure. Some colleges recommend the ACT which is administered locally twice a year.

## **PSAT/NMSQT – Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test**

PSAT/NMSQT must be taken in October *the junior year* to qualify for National Merit Scholarships. Other programs using this test include the Weyerhaeuser four-year scholarship, ROTC, academies, and other specialized scholarships. Sophomores may take this test for experience in test taking.

The PSAT scores are reported in three categories; verbal, mathematics and written language. Scores are reported in the range of 20 (low) to 80 (high). The PSAT scores are not usually used by colleges as admissions criteria. Merit scholars are selected with these test scores. Other selected scholarships may require these scores.

## **AP – Advanced Placement Program**

AP tests are designed for exceptional students to demonstrate college level skills while in high school, and they are given in specific areas, with a charge of approximately \$80 for each test. Students who qualify for free and reduced lunch are eligible for a reduced rate. Advanced standing or credit is granted by colleges, depending on results. AP tests occur during May and are administered by the Guidance Department.

**ELPA 21-** ELPA 21 is a group of states that designed and developed an assessment system for English language learners. The system is based on the English Language Proficiency Standards and addresses the language demands needed to reach college and career readiness.

**Smarter Balance** – Test given to all 10<sup>th</sup> grade students, as well as those that have not previously passed. This test is a graduation requirement and will be in the areas of Reading, Writing, and Math.

**AVANT-** Language Proficiency Test

**ASVAB-** Armed Services Vocational Aptitude Battery

# STUDENT ATTENDANCE

## Parent/Guardian Responsibilities

If a student is absent, it is the expectation for parents or guardians to call the attendance office, **575-7113** and leave a detailed message. **The answering machine is turned on all hours and on weekends for parent/guardian use.** If no call is made, the parent/guardian should send the student to school the next day with a signed note detailing the reason for the absence. **All absences must be cleared within three school days from the date of occurrence.**  
**In order to be coded as an appointment, one must have a note from the provider.**

## Student Responsibilities

1. Remind your parents to call the school before 8:30 am the day of an absence or to write a note to take to the attendance office the day you return.
2. Students should report to the attendance office before first period to take care of absences.
  - a. Students whose parents called and excused the absence the day before do not need to go to the attendance office.
  - b. Students with unexcused absences will be given an unexcused admit slip back to class.
3. Forged notes or phone calls will be considered unexcused absences and will receive disciplinary action.
4. Disciplinary consequences may include the following: Friday School, short-term suspension and long-term suspension with possible loss of credit.
5. **Teachers are not required to provide make-up work for unexcused absences.**
6. **Students will have one day for each excused absence to complete make-up work.**

## Tardiness

Chronic tardiness may result in a referral to an administrator. When tardy to first period, students should check in through the attendance office. A tardy of over 10 minutes in any class will be considered an absence.

## Check Out Procedures

Students leaving campus for any reason other than illness **must check out through the attendance office.**

**Parents/guardians who are picking students up from school, must have photo ID to remove a student from school or class.**

Students who are ill need to go to the nurse's office. *Parent permission must be given verbally or in writing prior to checking out.*

***Leaving campus any time except during lunch without signing out will be considered truancy and will be cause for disciplinary action.***

***Provider note required in order for an absence to be coded "Appointment"***

**IT'S THE LAW**

**RCW 28A.225.010 COMPULSORY SCHOOL ATTENDANCE**

Parents of a child older than 8 years and younger than 18 years of age in the State of Washington shall cause such a child to attend school and such child shall have the responsibility to and therefore shall attend for the full school session.

***RCW 28A.225.030 School districts are required to file a petition with the juvenile court for attendance violations by a parent or child.***

The legislators, school districts and courts share the common goal of requiring students to attend school on a regular, full-time basis without acquiring unexcused absences.

Improving school attendance increases the likelihood that children will be successful in school. Also, improved attendance decreases problems related to inappropriate social behavior.

Longview School District regulations and R. A. Long High School policy require a child's parent/guardian to either call the school or send a note explaining the reason for a child's absence. Absences must be excused before a student returns to the missed class or the absence will remain unexcused. The Attendance Office determines when an absence is excused or not excused when a student is on campus but not in their assigned class.

<b>Action</b>	<b>Required BECCA Intervention</b>
Student's first unexcused absence	The school will attempt to contact the parent concerning the unexcused absence by phone or mail.
Student's second unexcused absence	The school will schedule a conference with the parent, student & school staff to resolve the issue of unexcused absences and any consequences involved with additional unexcused absences.
Student's fifth or more unexcused absences in one month	The school will complete the BECCA Petition, including documentation of any interventions used by the school to reduce or eliminate further unexcused absences. The petition will be forwarded to the District Attendance Officer to review and provide referrals as needed.
Student's seventh unexcused absence in a month or tenth in a school year	The Attendance Officer is required to file a petition with the Cowlitz County Juvenile Court. The Prosecuting Attorney will review the petition and either request a hearing, issue a warning, coordinate an at-risk petition, or issue a stay.

Action	Required BECCA Intervention
Student continues to have unexcused absences	A juvenile court hearing is held to determine the facts. The parent and/or student sign a court document that commits the student to attend school with no further unexcused absences, the judge signs the order compelling school attendance.
The parent and/or student disagree with the number of absences.	Another court date is set, credible witnesses are summoned and the case is continued.
The student attends school, per court order, and acquires no additional unexcused absences.	No further action required.
The student attends school, but acquires at least one unexcused absence.	The school sends the student's progress report to the Attendance Officer. The Attendance Officer notifies the Cowlitz County Juvenile Court and requests a Show Cause Hearing (Contempt) for the parent and/or student. The prosecutor presents additional unexcused absences and requests and asks the court to find the parent and/or student in contempt of court. If the parent and/or student in contempt of court, sanctions are applied. (These may include, but are not limited to seven days in Juvenile Detention. If they are not found in contempt, no sanctions are applied.

**Two Frequently Asked Questions**

1. **What constitutes a BECCA unexcused absence?** – One-half of a student's education program day (3 or more class periods = 1 day) will be considered as a BECCA unexcused absence.
2. **I'm very concerned about my child's unexcused absences. What can I do to help intervene?** As a concerned parent, insist that your child attends school. Keep in contact with the school to become aware of your child's attendance, attend scheduled conferences and follow the attendance agreement developed for your child. If you feel your child is "out of control" and you would like to enlist the help of the courts, feel free to contact the Cowlitz County Juvenile Court Services. (360) 577-3100
